The Awards Committee implements a rigorous and comprehensive review process, including due diligence steps. Key contacts from the application might be interviewed to determine if that specific nomination is fulsome and inclusive. The decision of the Awards Committee is final and press releases will not be amended to add any additional names.

Entries are judged on measurable impact, completeness, and overall results achieved between January 1, 2025, and December 31, 2025. Judges may contact listed firm representatives for clarification. The decisions of the Awards Committee are final.

PART 7- HISTORICAL FINANCIAL STATEMENT INFORMATION

Upload three years of historical financial results showing the company's performance before and after the turnaround. Positive cash flow or net worth at completion is required. Use the provided Excel template [form provided](#) or equivalent format.

- Tab One is "Instructions"
- Tab Two contains the "Historical Financial Statements"

The Excel file can be saved like a regular document so that it can be completed at any time. The financial results at the time the turnaround/transaction was completed (per the timeline) must show that the company is generating positive cash flow from operations and/or the company post transaction has achieved positive net worth. If you would like to submit additional financial information, such as different ratios, statements or charts/graphs, please include it as an additional file upload. If you are not able to obtain current financial statements, please provide historical financial statements along with a projection and as many quantifiable measures of success as you can, including, but not limited to: financial information as it relates to recoveries and the constituents who were at risk.
